- Provide the legal name your employer has for you in their official records, not your nickname.
- Provide your ID Code which is usually the last four digits of your SSN.
- Make sure you sign the form. If the **account holder's signature** is not present, we cannot process your claim.
- Dependent Care Provider's signature can be substituted for a receipt from the provider; however, the provider must sign the form where indicated. Either the provider's signature on the claim form **or** an itemized receipt from the provider is required, not both.
